## LEARNING ~ TEACHING ~ SHARING

The Cary Photographic Artists club was founded in 2007 for all levels of photographer from the novice to the professional.

We have established a forum in which individuals with an interest in the art of photography may share their photographic experiences and enhance their techniques through monthly educational programs, outings, presentations and peer critiques.

We meet the **2nd and 4th Wednesday** of every month at **The Cary** theater, 122 East Chatham Street.

You do not have to be a Cary resident to join and all meetings and programs are free and open to the public.

The Cary Photographic Artists (CPA) is a dynamic member of the Town of Cary Arts community. We are close to 150 strong and firmly believe in the art that photography has become.

We hold several member exhibitions during the year to increase our public awareness and offer our members exposure for their craft.

We sponsor an open juried photography exhibition every year that covers the entire triangle area.

We also have club outings and photo shoots which in many cases follow a presentation on a specific area of photographic interest.

Our club actively supports Fellowship House Health Resources Inc. of Cary as part of our Outreach program and we are proud to be an active part of the Juvenile Diabetes Research Foundation of Raleigh by providing funds for the photographic processing of the poster children.

For more information about our programs, meetings, presentations and exhibitions

See our website at  
[www.caryphotographicartists.org](http://www.caryphotographicartists.org)

We offer peer critiques and member presentations several times a year as a means of learning from each other and our work is exhibited widely throughout the area.

In addition to our annual member's exhibit, we have exhibited in most of the Wake County libraries, had an invitational exhibit at the Raleigh Convention Center, exhibited at Wake Med Hospital in Raleigh, the Sertoma Arts Center in Raleigh, and we even had an International exhibit in conjunction with the Town of Cary (through their Sister Cities Program) in County Meath, Ireland.

We were also selected to photographically illustrate the transition of the old historic Cary Elementary School into the new Cary Arts Center.

*This project is supported in part by a grant from the Lazy Daze Arts & Crafts Festival—a Cary based festival supporting local arts and non-profit organizations and activities.*

We are a non-profit, all-volunteer organization that is always looking for new ideas and suggestions.

If any of the following activities or programs are in your area of interest or expertise, we'd like to hear from you.

Please check the area in which you might be able to volunteer some time or offer assistance.
